A Hand-Painted Collection

A Hand-Painted Collection

The Hollowick Studio Collection was created to bring creativity & artistry to the tabletop. Designed for operators who want more than standard candlelight, this collection blends craftsmanship with contemporary style to create a warm, elevated ambiance.

Each stylish glass votive is hand-decorated by our in-house artists, making every piece subtly unique. The human touch behind each design adds depth, texture, and genuine character.

The result is a collection that feels curated, personal, and thoughtful — designed to enhance the dining atmosphere and leave a lasting impression.

Artistry in Every Glow

The Studio Collection by Hollowick is a curated range of stylish glass candleholders, each hand-decorated by skilled studio artisans. Featuring carefully crafted colors and artisan techniques, every votive is truly one-of-a-kind, bringing individuality and character to the tabletop. Beyond their visual appeal, these candleholders create warm, inviting ambient lighting, elevating the dining experience with artistic detail.

Lalique

Rolling hills brushstrokes add a bespoke Art Deco elegance and vibrant glow.

Nexis Rechargeable LED Lighting

Flameless Tealight That Fits Any Size Hollowick Lamp

Nexis® LED Candle System by Hollowick is the most advanced rechargeable candle system available today.

Designed with meticulous attention to function, performance, and ergonomics, this groundbreaking commercial lighting solution stands apart from the rest. Features such as an easy-to-grip design, a realistic flexible flame tip, a beveled top for enhanced illumination, selectable steady or flickering light modes, and IP44 water-resistance certification make Nexis® a trusted choice for foodservice operators. Paired with a wireless, magnetic charging tray that holds up to 40 candles and delivers an average 26-hour runtime, the Nexis® LED Candle System represents the pinnacle of flameless candle technology.

Nexis® Magnetic Remote Control

Control a room of flameless tealights with the touch of a button. The Nexis® magnetic remote control allows you to turn lights on & off, set the lighting level from standard to high light, or control the light from steady to flicker. The remotes' magnetic body allows it to stick to any metal surface and it secures to the Nexis® charging tray for convenient storage.
