Zero contact.  
Total comfort.

**Server Touchless Express® Dispensers and Stations**

Offer a better way to serve your sauces and condiments in a world where safety is everything.

- Similar footprint as the manual Server Express® Dispensing System
- Stainless steel construction cleans easier and lasts longer
- Dispense patron favorites with Single, Triple or Quintuple dispensing stations for 1 ½-gallon pouches with a 16-mm fitment for a sealed, sanitary, cost-effective system
- Guests can safely enjoy signature house sauces from a matching single, Direct-Pour 1.3-gallon or NEW, Large Capacity 3.0-gallon countertop dispenser
- All units are perfect for finishing, topping or filling ramekins with the sauces and condiments your patrons love, for take-out, delivery or curb-side

Today's diner expects a technology-driven experience, and those tech solutions can directly spur customers to visit restaurants.

Modern Restaurant Management, July 2021

**Motion sensor dispensing. Safe, touchless and simple.**  
SmartWares™ Technology is a transformative platform that delivers unmatched dispensing efficiency, accuracy and safety. Only from Server.

Serve house-made sauces from 1.3-gallon or NEW 3.0-gallon Direct-Pour dispensers. Both include the food-safe jar and lid.

Serve patron-favorite pouched condiments on your countertop or drop into a cutout for a low-profile look.

**Award-winning. Touchless perfection.**

- Touchless Express dispensers earned a 2021 Safety and Health Solutions Innovation Award from SmartBrief and The National Restaurant Association, and a 2021 Hot New Products Award from CStore Decisions
- SmartWares Sensor Dispense technology detects user's hand to dispense up to a 1-oz portion; removing hand stops serving early
- The precise sensor field prevents dispensing from surface sanitizing or pass-by activity
- Restaurant ready – just plug into a standard outlet and start dispensing

100493

Quintuple Station features a single power cord and a compact self-contained design for a patron-friendly, well-organized countertop.
