when understatement says it all

A simple and classic design, Pristine is elegantly reflective with its mirror-like sheen and offers a great canvas for vivid food colors. The wide, flat rims make the plate seem larger, which ultimately shrinks the perception of the food portion which encourages for residents to eat more.

inviting edges, nostalgic appeal

A much-loved shape in the foodservice industry for decades, Rolled Edge is a classic ivory dinnerware with a traditional appeal for most tabletop environments. Rolled Edge dinnerware features a wide, food-framing rim and an appealing ivory finish. Alumina body offers exceptional durability and resists scratches, chipping, and center-plate impact. Its superior heat retention ensures that food will stay warm from the kitchen throughout the meal. Narrow Rim provides a deep well to create ample plating space for more generous portions and sauce-based entrées. The smaller rim also magnifies plating space and lends the impression of a more fulfilling portion.

FIESTA DINNERWARE

bright colors, beautiful presentations

One of the most collected dinnerware products in the world, the Fiesta line was designed and introduced to the American public by The Homer Laughlin China Company in 1936. Comprised of 14 bold colors that complement each other, Fiesta dinnerware is great to mix & match and add vibrancy to the table. Colored dinnerware has proven to have a positive reaction and greater food intake with residents so long as the food contrasts the plate. Additionally, this dinnerware is designed to nestle perfectly inside pellet systems to keep hot foods at safe temperatures. With concentric rings and stunning colors, Fiesta is the tableware of choice for healthcare & senior living facilities.

All products are not available in all colors. Fiesta items codes can be created by adding the color code to the end of the pattern code.

The Fiesta Tableware Company will be retiring the following colors of their Fiesta® Dinnerware by October, 2021 • **105** Cobalt Blue & **324** Shamrock Steelite International will continue to accept orders, through September 30, 2021. After that date, no other orders will be accepted.
