Table Lighting

Light, Reimagined for the Table

Illumina by Steelite International brings cordless LED lighting to hospitality spaces with style, versatility, and convenience. Designed to enhance ambiance and complement any setting, the collection offers three levels to suit every need: Economy for reliable, essential performance; Standard for balanced functionality and style; and Premium for the ultimate in refinement and sophistication. Whatever the space or occasion, Illumina delivers seamless illumination that elevates the tabletop experience.

Elevated Performance. Refined Design

Illumina Premium lamps set the standard for cordless LED lighting in hospitality. Crafted for enduring performance, with superior durability and enhanced water and dust resistance, they provide seamless, all-night illumination. Designed to complement sophisticated settings, Premium delivers a refined lighting experience that elevates every table.

Pirlo & Octa

Style-Forward, Wireless Lamps

Elevate the ambience of any dining room with Illumina from Hollowick. These commercial-grade, wireless lamps are available in two styles, Octa and Pirlo, and offer a hybrid solution for operators to carry the same tasteful presentation from indoor to outdoor dining tables. A convenient, yet exclusive charging base and designated charging station provide a deterrent from theft, and multi-unit charging solutions create a convenient option for larger venues. Thoughtfully purposed for hospitality, these dimmable LED lamps are designed to operate 9+ hours on a single charge and set the tone for an unforgettable dining experience.
