THE ART OF PRESENTATION

THE ART OF PRESENTATION

THE ART OF PRESENTATION

You're not just setting a table. You're creating an experience, telling a story, sharing a culture – and food is at the heart of it. Food brings people together and connects them to tradition and inspiration.

At Steelite, we believe that tableware should do more than serve your food – it should serve your vision. We design, craft and curate the very best in tableware for chefs and concepts across the globe.

Partnering to create an unmatched range of inspired tabletop experiences where shape, color, texture, light and weight combine to feed the senses. Helping our customers set the stage for their menus and their brands. Elevating presentation to an art.

Steelite International is the leading designer, marketer, manufacturer, and supplier of award-winning tabletop, buffet and lighting solutions for the global hospitality industry. Dual headquarters, located in Youngstown, OH, and Stoke-on-Trent, UK, along with a 500,000 square foot manufacturing facility and twelve showrooms worldwide, enables us to service over 140 countries for more than 50 years. We are committed to providing the best in functionality and design while minimizing the effect on our environment. For more information, please visit www.steelite.com.

Luigi Bormioli

ITALY

Rooted in the rich heritage of Parma, Italy, an area celebrated for its art, culture, and craftsmanship, Luigi Bormioli has been shaping exceptional glassware since 1946. Guided by a passion for Italian design and a dedication to innovation, the brand blends traditional craftsmanship with modern glassmaking technology to create pieces that are both beautiful and made to perform. The result is a collection of glassware that elevates presentation, enhances the drinking experience, and brings timeless elegance to tables and bars around the world.

THE ART OF PRESENTATION

Sapiencia

Where Craft Meets the Art of Tasting

Mouth-blown and meticulously handmade, the Sapiencia Collection celebrates the art of wine appreciation. Its name, rooted in the Latin word for taste and wisdom, reflects a deeper connection between craftsmanship and the sensory experience of wine. A collection designed for those who savor every detail.

I Meravigliosi

Light in Hand, Powerful in Performance

I Meravigliosi brings together exceptional clarity, refined balance, and one of the lightest profiles in the portfolio. Crafted from ultra-clear SON.hyx crystal, each glass showcases wine with brilliant transparency while maintaining impressive durability. Elegant in hand yet built to perform, this collection balances sophistication with lasting reliability.

Atelier

Elevate Every Pour

The Atelier Collection by Luigi Bormioli is designed to enhance the aroma and flavor of wine with precision and elegance. Contemporary in design, each glass features a curving bowl that indicates the ideal pour level while providing superior resistance to shocks. Laser-cut, ultra-thin rims and expertly shaped bowls allow wine to breathe fully, delivering an elevated tasting experience for every pour, perfect for refined table settings and professional hospitality.

D.O.C.

Inspired by Italian Wine Tradition

Designed to honor the heritage of D.O.C. wines, this glass pairs classic form with reliable performance. Ultra-clear glass highlights every pour, while a pulled stem ensures a seamless, balanced design built for lasting use.

Rubino

Strength You Can Rely On

Purpose-built for the demands of foodservice, the Rubino Collection combines durability with practical design. Reliable, resilient, and versatile, Rubino delivers consistent quality under heavy use, built to perform day after day.

Incanto

Designed to Enhance Both Presentation and Experience

The Incanto Collection combines classic Italian craftsmanship with modern innovation. A subtle hand-cut effect adds depth and sophistication, capturing light beautifully and elevating the presentation of every pour. Incanto transforms each glass into a stage for refined wine service and inspired mixology.

Napoleon

Crafted for Depth and Character

Designed for the enjoyment of fine brown spirits, the Napoleon glass features a generous bowl that enhances aromas and elevates every note of whiskey, Cognac, and aged brandies. Its balanced shape invites a natural swirl, unlocking complexity with every pour, while a pulled, titanium-reinforced stem ensures seamless durability and lasting performance.

Classico

SON.hyx®
HIGH-TECH CRYSTAL GLASS

Classic Style, Professional Performance

The Classico Collection embodies timeless elegance with a design that enhances every beverage service. Crafted from SON.hyx crystal, these glasses deliver exceptional brilliance, durability, and long-lasting clarity, combining classic style with reliable performance for professional hospitality.

On The Rocks

SON.hyx®
HIGH-TECH CRYSTAL GLASS

Confident Grip in Every Pour

The On The Rocks Collection features a distinctive textured base that creates a striking optical effect while providing enhanced stability and grip. With a thick, balanced base and elegant silhouette, these glasses deliver both visual impact and dependable performance for whiskey, cocktails, and mixed drinks.

Top Class

SON.
HIGH-TECH CRYSTAL GLASS

Light in Hand, Brilliant in Look

Top Class redefines elegance through sheer simplicity and effortless balance. Its ultra-light, thin-walled design creates a sense of floating sophistication, while crystal-clear clarity showcases every hue and detail. Minimalist lines and refined proportions make each glass a delicate statement of style, turning every pour into a moment of refined enjoyment.

Veronese

SON.
HIGH-TECH CRYSTAL GLASS

Quietly Distinctive

Veronese stands apart with a sculpted oval base and gracefully rounded rim, blending comfort in hand with a confident tabletop presence. Light flows across its refined silhouette, enhancing every pour while subtly elevating presentation. Clean, architectural lines form a modern statement that captures attention—refined, distinctive, and effortlessly memorable.

Authentica

Secure Closure Clean Presentation

The Authentica Collection combines refined design with practical performance for beverage and tabletop presentation. Crafted from bright, high-transparency glass, these bottles showcase contents with clarity while maintaining a clean, polished look. A Safe-Edge rim allows for smooth, controlled pouring, while an air-tight rubber gasket closure helps prevent leaks and preserve freshness. Finished with a durable stainless-steel clamp that resists rust over time, Authentica is designed to support repeated use and dependable performance in demanding hospitality environments.
