INTERNATIONAL

THE ART OF PRESENTATION

Prevent up to 1,000 cans of
chafing fuel from ending
up in landfills every year

Cordless warming induction for use anywhere

The D.W. Haber PowerCell is a revolutionary solution for keeping food hot for extended periods of time. The sleek and elegant design makes it a stylish addition to buffets & food stations, and its cordless battery operation allows it to be used anywhere. The PowerCell has a 5.5 hour recharge time so it can be used for multiple meals per day, and it is a cost-saving solution as it compares to repetitive purchases of chafing fuel. The first of its kind, this induction unit is energy-efficient and operates quietly, ensuring that it won't disturb the ambiance of the setting.

DWELINPC
PowerCell Cordless Induction Range
L 15" W 13" H 3"

- Keeps food warm for up to 4.5 hours
- Recharges in only 5.5 hours
