High-quality knives

Designer Adam Simha comes from a background in culinary arts, homeware design, and metalworking. Throughout his career, he transitioned from early roles in food establishments to becoming a skilled bladesmith. Three years after founding MKS Design in 1998, Simha quickly shifted his focus to knife-making full time. Through years of experience, he developed this range of custom-designed steak knives, catering to culinary enthusiasts seeking high-quality cutlery. These knives are the culinary tools you will always reach for, feel compelled to care for, and never want to put down.
